We look forward to even greater achievements in the coming year as our students continue to shine in both academics and sports.

Continuous Learning Focus: At our school, we prioritize continuous learning for both staff and students. Throughout the year, various in-house workshops and Professional Development Training programs were organized to keep our teachers updated on the latest educational trends. Teachers also attended CoE and Sahodaya workshops to enhance their teaching skills.

Inter-University Centre for Astronomy and Astrophysics (IUCAA), organized by the Lodha Genius Programme, where they delved into the historical development and foundational concepts of telescopes.

Our school conducted a series of workshops tailored to different grade levels, covering essential topics such as Good Touch and Bad Touch and Appropriate Behavior, Menstrual Hygiene, Nutrition, Career Counseling, Artificial Intelligence, and Life Skills.

The 5TH INDO GLOBAL UNIVERSITY FAIR, organized by Orbis Schools, allowed students to engage with top universities, gaining insights into future academic opportunities.

As part of the Eumind Programme, Orbians collaborated with Vibgyor School, Malad East, exploring "Creative Entrepreneurship", fostering innovation and critical thinking.

The Orbis Schools hosted a TEDx Event where participants from various fields shared their thoughts on the theme "The World is Your Oyster- The Next Milestone".

To enhance learning beyond the classroom, students from Pre-Primary to Class 12 embarked on a series of educational trips. These excursions included visits to museums, a water treatment plant, the weather department, Seven Wonders Park, Japanese Garden, National War Memorial, Fire Station, and other educational sites, providing enriching real-world experiences.

Our school continues to foster a culture of giving and community service. Throughout the year, students and staff have actively participated in various charitable initiatives, contributing their time, effort, and resources to make a positive impact on society.

They collected old newspapers and e-waste, which were donated to Cancer Patient Aid Association and the Rotary Club of Pune Airport, contributing to the welfare of the underprivileged. Through the 'Joy of Giving' drive, students generously donated essential groceries to SOFOSH, supporting orphaned and underprivileged children, aiding the rehabilitation of visually impaired and disabled individuals. Plastic waste was collected and handed over to Swachh Foundation for biofuel production. These initiatives not only fostered empathy and social awareness among students but also made a meaningful impact on the community.

Co-curricular Clubs:

Interact Club focuses on community service, including activities like teaching at schools, visiting old age homes, and participating in environmental initiatives.

Each One Teach One Club offers adult literacy programs for the school's help staff in collaboration with Rotary Club and Diksha.

School Enterprise Challenge: Encourages students to brainstorm business ideas and develop essential life and business skills.

At our school, the Cubs and Bulbuls program continues to instill values of discipline, teamwork, and service among our young students by conducting regular camps and other such activities.

Building on this foundation of character and leadership, this year also marks the inaugural launch of the National Cadet Corps (NCC) Army wing (Signals) at Orbis.

Together, these programs reinforce our commitment to shaping students into confident, responsible, and service-oriented individuals.

The Recognition of International Dimension in Schools (RIDS) Through this program, our students engage in collaborative learning—pre-primary students interact with peers in Japan, while students of Classes 5, 6, and 8 connect with junior school students in Sri Lanka, fostering cultural exchange and global awareness.

These initiatives reflect our commitment to providing a holistic learning environment that not only emphasizes global engagement but also ensures the safety and well-being of our students.

The School Safety and Disaster Management Committee meets regularly to ensure readiness and a secure environment. Advanced fire-extinguishing units have been installed, and all classrooms and activity zones are under CCTV surveillance.

Regular fire evacuation drills are conducted, with vigilance maintained by the core team and security personnel, ensuring a proactive approach to safety.

Our school encourages everyone to move forward with determination, striving for excellence and ensuring that celebration of learning never ends.

As Swami Vivekananda profoundly stated and I quote, "Arise, awake, and stop not until the goal is reached." Let us keep breaking barriers and inspiring each other to realize our highest potential.
