In the meanwhile parents are requested to make arrangements for self drop and pick-up.

- While the school shall endeavour to provide this facility to most students, it is subject to feasibility.

In the unlikely scenario of the transport service not being available, parents shall be requested to cooperate and help out by dropping/ picking up the students.

4. Transportation Fees/ Charges:

- Fees are to be paid on or before the due date via eNACH only or as per authorised payment mode for the full year or in half yearly instalments for the entire instalment period, even if the facility is used for a single day or not at all. Fees shall be payable for zones.
- In consonance with Government guidelines fees have factored the vacation/ breaks and hence to further break up on prorata basis is not possible.

- Transportation and registration fee is non-refundable and payable to the school/ service provider.
- If due to admission withdrawal or if the registered address is changed to within 500 meters of road distance from the school, the facility is to be withdrawn during the academic year or the next, a written application is to be submitted at least one month prior to the commencement of the next notified instalment failing which the next instalment will become due and payable.
- Late payment of fees shall attract a late fee.
- Late fee and bounced charges, if any, will be first adjusted from the paid amounts, and the outstanding amount will be considered as pending fee (to be paid).
- In case the residential address is not decided at the time of admission, an amount equal to the shortest distance i.e. the lowest charge shall be payable and the same shall be topped up, if need be, according to the stop, once the residential address is decided. In case the decided residential address is within 500 meters, then the "lowest charge" and registration fee shall be refundable.
- In case your child attends extra classes and further transport is used, then additional charges will be applicable.
- Non payment of fees may lead to withdrawal of bus facility/ admission.

I understand that

- GR no. MVR-0808/CR-153/PARI-2 dated 23.7.2008 says that as it is not possible for parents of every student to make an agreement with the bus contractor, I authorise the school to sign Common Certified Agreements and its Appendices for the year/s that my child avails the transport facility which shall be binding on me and that the school is only a service provider/facilitator.
- The school transport committee has a parent representative.
- I may be asked to volunteer on route monitoring monthly/ quarterly.
- The school website provides information of all routes, timings, fees, rules and procedures and I agree to keep myself abreast of the updates/ changes eliminating the need to sign afresh this form.

Self Drop and Pick-Up Rules:

- Only those students residing (registered address) within a distance of 500 meters (road distance) from the school gate may prefer to opt for self drop and pick-up. In order to reduce the problems of traffic and parking at the school gate, they shall WALK to the school and no other mode of commuting (including 2 wheelers/ cycles) is permitted and shall be accompanied by a parent/ guardian/ designated person. No other person shall be permitted to drop or pick up the student.
- Pick up and drop by private unauthorised commercial vehicles is not permitted as per Bombay HC /Govt. of Maharashtra Bus Guidelines.
- Students found to be in contravention of the above two rules shall be liable to strict action including cancellation of admission.
- The Self Drop and Pick-Up arrangement shall be at a prescribed point and time (normally after the school buses have left) and it is imperative to adhere to these.
- In case a parent wishes to opt for the transport facility at a later date, the same shall be subject to feasibility/ availability and payment of the entire instalment. If the address falls outside the transport range of the school then the child shall board the school bus from the nearest designated bus stop.

I have read the above rules for both the School Transportation and Self Drop and Pick-Up and agree to abide by them and further agree not to act or participate in any activity against the school or the school's transport department.

I have read, understood and agree to abide by all the points.
